As part of the BAOH scheme, Carillion / SkyBlue provided Seyed with a 2 week work placement.

Seyed started work on 20<sup>th</sup> February 2012 and straight away proved to be a real asset to the Nottingham/Long Eaton office.

Seyed had an excellent work attitude and easily dealt with all of the tasks asked of him. He was also keen to learn and develop his skills further.

On completion of his placement Seyed was given a written reference as well as being registered with SkyBlue for future work.

We wish Seyed all the best in his search for work and are confident he will find the right job soon.
