On Friday 28th September, inspiredspaces Nottingham showed its support for Macmillan Cancer Support and its "World's Biggest Coffee Morning."

Macmillan Cancer Support aims to provide vital funding to support the patients and families of those affected by cancer. Relying on donations for up to 98% of their overall income, Macmillan provides practical, medical and financial support and pushes for better cancer care.

In order to support this very worthwhile cause, a delicious selection of homemade cakes and cookies were on sale to Carillion office staff on the Friday morning, as well as a range of teas and coffees.

In conjunction with raffle tickets sold to our colleagues at Nottingham City Council, the coffee morning raised the grand total of **£205.00** for a very worthwhile cause.

Thank you to all those who took part!
