On Thursday 26<sup>th</sup> September, staff from inspiredspaces Nottingham- Nottingham's Local Education Partnership- invited colleagues in Carillion Building and Nottingham City Council to join them and raise money for Macmillan Cancer Support as part of 'The World's Biggest Coffee Morning.'

On the day, which also coincided with Carillion's 'Values Week,' Nottingham LEP staff provided a range of homemade cakes and cookies, which along with a selection of teas and coffees, were served at the Carillion Building office in nearby Long Eaton.

Funds donated on the day amounted to **£154.70**, all of which will go towards aiding Macmillan's vital work in supporting those with and those affected by, cancer.

Thank you to all of those who took part- your support is greatly appreciated.
